Please note the technical data of the products!

Article Numbers: 162397, 162396, 162395, 162394, 162393, 162391, 162390, 162389, 162388

Safety Instructions:

- Not suitable for children under 3 years of age as small parts can be swallowed and there is a choking hazard.
- Avoid contact with water or moisture so as not to impair the print quality and adhesion of the labels.
- Use only in the intended printer to avoid damage and jamming; use suitable printing equipment.
- Ensure that the product is checked for damage before each use.
- Remove the labels from the printing machine before it is cleaned to avoid injury.
- Store the labels in a dry place and not in extreme temperatures or direct sunlight.
- When using with laser printers, ensure that the printers are correctly configured to avoid overheating or fire hazard.
- For safe use, ensure that the printer is used in accordance with the manufacturer's instructions.
- Take care when handling paper and label products; can cause paper cuts.
- Avoid contact of the labels with food, as they are not designed for this.
- The labels should be kept out of the reach of small children to avoid the risk of suffocation.
