Safety Instructions:

- Not suitable for children under 3 years of age as there is a choking hazard due to small parts.
- Use with some printer models can lead to overheating or problems. Pay attention to the compatibility and instructions for use.
- Not suitable for contact with food. Only allow direct contact if especially suitable.
- Protect from moisture and direct sunlight so as not to impair the adhesion of the labels.
- Keep out of the reach of children to avoid the risk of injury or choking.
- May leave adhesive residue. Remove with suitable agents if necessary.
- Store in a cool, dry place for optimum adhesion.
- Dispose of packaging after use to avoid injury.
- Only use the product as intended to avoid hazards.
- Before use, ensure that there are no allergies to the material components.
- Use only for the intended purpose and safe handling.
- Keep the product away from children to minimise the risk of unintentional use.
- Ensure that the labels cannot be inhaled or swallowed.
- FSC-certified, please note the environmental information on disposal.
