Safety Instructions:

- Read the operating instructions carefully before use.
- Do not load more than the maximum load capacity of 680 kg.
- Improper use can result in a risk of tipping over.
- When lowering the table, ensure that there are no persons or objects in the danger zone.
- Only operate the foot pump with a suitable foot and do not overload it.
- Do not use castors on uneven or sloping surfaces to avoid the risk of tipping.
- Regularly check for damage and the proper condition of the lift table.
