Safety Instructions:

- Caution: The board can tip over if it is not used correctly. Make sure that the board is always stable on the surface.
- Choking hazard: Small parts such as connecting clips and pin needles can be dangerous for children. Keep the board and accessories out of the reach of small children.
- Avoid writing on the board with sharp objects as this can damage the surface.
- The presentation board is intended for indoor use. To avoid damage, do not use the board outdoors.
