Article Numbers: 132969, 132968

Safety Instructions:

- Use the product for tyres with a diameter of 540 - 820 mm.
- Make sure that the maximum load capacity of 200 kg is not exceeded to avoid damage.
- Ensure that the pneumatic tyres are correctly inflated to avoid danger.
- Use the product on level surfaces to avoid tipping or tipping over.
- The push bar is equipped with a soft plastic cover to prevent slipping.
- Keep children and pets at a safe distance during use.
- Adopt the correct posture when lifting heavy loads to avoid injury.
- Small parts or sharp edges may be present; children should be kept away from the appliance.
- Check the condition of the tyres and bearings regularly to minimise safety risks.
