Safety Instructions:

- Careful handling when transporting and lifting the tyre truck to avoid injury.
- Ensure that the tyres are correctly positioned on the trolley to prevent it from tipping over.
- Do not overload the trolley (maximum 200 kg) to avoid structural damage or injury.
- Use suitable safety clothing (such as gloves) to prevent injuries during handling.
- Always park the trolley on a stable surface to prevent it from tipping over.
- Read and follow the operating instructions carefully before use.
