### Safety Instructions:

- Not suitable for children as there is a choking hazard due to small parts.
- Do not put in the mouth as it is not intended for use as a toy.
- Toner cartridges may release harmful vapours during use; therefore only use in well-ventilated areas.
- When disposing of toner cartridges, ensure that they are recycled or disposed of in an environmentally friendly manner.
- Caution: High-pressure toner. Avoid contact with skin and eyes.
- The toner may contain harmful substances. Only use in suitable rooms with adequate ventilation.
- Do not burn the toner in Julian to avoid hazardous emissions.
