Article Numbers: 181770, 181674, 181672

Safety Instructions:

- Not suitable for children. Contains small parts that may pose a choking hazard.
- Keep the toner cartridge away from children to avoid the risk of choking on small parts.
- Keep the toner away from extreme temperatures and moisture.
- Avoid contact of the toner cartridge with open flames or high temperatures.
- Avoid direct skin contact with toner powder and use protective gloves if possible.
- Avoid direct contact with the toner cartridge and its contents.
- There is a risk of the printer overheating if used incorrectly.
- Ensure that the toner cartridge is correctly inserted into the printer to prevent damage and malfunctions.
- Dispose of empty toner cartridges properly in accordance with local regulations for hazardous waste.
- After use, dispose of the cartridge safely and in an environmentally friendly manner.
- Disconnect the device from the power supply before replacing the toner cartridge.
- In the event of skin contact with toner, clean immediately and thoroughly with soap and water.
- Keep out of the reach of children and pets.
- Avoid inhaling dust that may be generated when using the toner.
- Provide safe instructions for the use and disposal of the toner.
