Article Number: 181667

Safety Instructions:

- Observe the safety information and ensure that there is no contact with the skin or eyes when handling toner cartridges.
- Keep toner out of the reach of small children to avoid the risk of choking on small parts.
- Do not inhale toner directly or use the cartridge near your face.
- Disposal in accordance with local regulations for electronic and maintenance materials.
- When using toners, consult the corresponding safety data sheets (SDS).
