Safety Instructions:

- Ensure that the chair is placed on a stable and level surface to prevent it from tipping over.
- Not suitable for children under the age of 12 as the chair is not designed for their height.
- Do not exceed the recommended weight of 110 kg.
- Carry out regular checks of the mechanical parts to ensure proper functioning.
- The upholstery and cover must be cleaned regularly to prevent the accumulation of allergens.
- Ensure that the office chair is suitable for the user's height.
- When using the chair, make sure that there are no loose parts in the swivel mechanism.
- Read the assembly instructions carefully before first use and check that all parts are firmly seated.
- Avoid sudden movements to prevent tipping over.
