Article Numbers: 142957, 142944, 142943, 142942

Safety Instructions:

- Avoid loading the product beyond its maximum load capacity of 110 kg.
- Using the product on uneven or slippery surfaces can cause it to tip or slip. Ensure that you have a secure base.
- It is recommended to check the product regularly for visible damage or wear.
- The armrests are made of polyamide and should be handled carefully to avoid breakage.
- The product is not designed for outdoor use.
- Please ensure that the product is only used for its intended purpose.
- Do not overstretch the maximum permissible stack of 4 chairs.
- Keep children away from chairs when they are stacked on top of each other to avoid the risk of falling.
- Avoid improper use to prevent injury or damage.
- The product is flame-retardant, but flammable materials should be kept away from the seat.
- Ensure that the product is standing on a stable and level surface to prevent it from tipping over.
- Not suitable for children under 3 years of age as small parts may be present.
- Risk of suffocation due to improper stacking or tipping of more than 4 chairs.
