Article Numbers: 142990, 142948, 142947, 142946, 142945

Safety Instructions:

- Ensure that the product is not placed near naked flames or heat sources.
- Check the stability of the chair regularly, especially when using several stacked chairs.
- Ensure that the swivelling mechanism is serviced regularly to ensure safe use.
- Avoid standing up abruptly or leaving the chair abruptly to prevent injuries.
- Keep the product away from sharp objects to prevent damage to the upholstery.
- Observe the maximum load capacity of 110 kg to avoid damage.
- Keep out of the reach of children as there is a risk of choking on small parts.
- Protect products from improper use to minimise the risk of injury.
- Improper installation can jeopardise stability.
- Use non-slip pads to prevent slipping on the floor.
- Watch out for improper use of the backrest.
- Make sure that the chair is placed on a stable surface to prevent it from tipping over.
- Keep children away when stacking the chairs to avoid injury from falling over.
- Avoid using the chair in damp environments, as this can lead to material damage.
- Follow the installation and safety instructions enclosed with the delivery.
- Not suitable for children under 3 years of age as small parts may be present.
- Avoid accidental falls due to improper stacking of more than 4 chairs.
- When using several chairs, ensure that there is sufficient space to avoid injuries.
- Follow the instructions for safe use and maintenance.
