Safety Instructions:

- Do not use the whiteboard in damp, wet or extreme environments to ensure a long service life and prevent damage.
- Only use suitable markers designed for whiteboards so as not to damage the surface.
- Clean the whiteboard surface regularly with suitable agents to avoid residues. Do not use aggressive or harsh cleaning agents.
- Ensure that the whiteboard is stable and securely mounted to prevent it from tipping over or falling.
- Not suitable for children under 3 years of age as small parts can be swallowed, posing a choking hazard.
- Avoid contact with sharp or pointed objects on the surface to prevent scratches and the risk of injury from sharp edges.
- Only use the whiteboard indoors and avoid direct sunlight to prevent discolouration.
- Keep the whiteboard away from electrical devices to avoid the risk of electric shock.
- When using magnets, be aware of the risk of small children swallowing them.
- Keep the shelves within the permitted load capacity to avoid the risk of tipping over.
- Children should be supervised when using the whiteboard.
