Safety Instructions:

- Check regularly that the product is being used safely, especially with regard to mobility due to the lockable castors.
- Make sure that the height adjustment is only carried out by adults to avoid injury.
- Ensure that all parts, in particular the shatterproof plastic tray, are securely attached to minimise the risk of breakage.
- Avoid using improper block formats to ensure the stability of the presentation.
- Provide clear instructions for the safe use and handling of the product, especially during assembly and use.
