Safety Instructions:

- Adjust and secure the linking plate properly to prevent stability and tipping.
- Avoid excessive load on the linking plate to prevent damage and loss of stability.
- For indoor use only and keep out of reach of children.
- Carefully read and follow the assembly and operating instructions, especially for height-adjustable tables.
- Observe the operating instructions for electrically height-adjustable tables.
- Avoid sitting, standing or placing heavy objects on the linking plate.
- Only use adapters for height adjustment if they are compatible.
- Keep the linking plate dry to prevent damage.
- Ensure that all parts and adapters are installed correctly.
- Prevent risk of injury due to improper installation or use.
- Only use compatible table tops to ensure stability.
- Avoid sharp edges to prevent the risk of injury.
