Safety Instructions:

- The boxes are not suitable for the transport of dangerous goods.
- Keep the boxes away from moisture and heat.
- Avoid stacking heavy objects on the boxes.
- Make sure that the boxes are not overloaded to prevent them from tearing or collapsing.
- The cardboard boxes are not biodegradable; make sure they are disposed of correctly.
- Ask for help when lifting heavy boxes to avoid injury.
- Can tear if used improperly and thus lead to a risk of injury.
- Chemical risks may exist due to the use of adhesives.
- Ensure that the carton has the correct load capacity for the intended use.
