Safety Instructions:

- Prolonged use can cause physical discomfort. Take regular breaks and adjust your sitting position.
- Do not exceed the maximum recommended payload of 130 kg.
- The height adjustment of the chair should be set correctly to avoid back pain.
- Adjust the armrest height and width before use to reduce tension in the shoulders.
- Avoid using the chair on uneven or sloping surfaces to minimise the risk of falling and injury.
- Only use the product for its intended purpose in order to avoid risks.
- Safe use can only be guaranteed if the device is installed and operating correctly.
