Please note the technical data of the products!

Article Numbers: 132849, 132848, 132847, 132846, 132845, 132844

Safety Instructions:

- Collecting tray is only intended for commercial use, not suitable for private use.
- Use only in well-ventilated areas to avoid hazardous vapours.
- Do not exceed the maximum load capacity of 1000 kg/m².
- Check the drip tray regularly for damage, material wear and corrosion to prevent leaks.
- Only use for authorised flammable liquids in accordance with GHS categories 1-3 and liquids hazardous to water in GHS categories 1-4.
- Do not use for the storage of unauthorised chemicals.
- Product not designed for use by children.
- Risk of fire or explosion if flammable liquids are handled incorrectly. Fire and environmental risk exists.
- Wear suitable personal protective equipment (e.g. gloves, safety goggles) when handling hazardous liquids.
- Only suitable for closed containers. Openly stored hazardous liquids are not permitted.
- Not designed for the transport of hazardous substances.
- Place the tray on a stable and level surface to prevent it from tipping over or overflowing.
- Misuse can impair functionality and lead to dangerous situations.
- Observe local regulations for disposal.
- Contact the manufacturer if you have any questions about handling or safety aspects.
- Do not use over animal waste or other biological materials for which the tray is not designed.
