**E-Mail:** sales@var.eu

Please note the technical data of the products!

**Article Number:** 133103

### Safety Instructions:

- Please use protective gloves when handling the upright ashtray to avoid skin irritation.
- Make sure that the stainless steel ball is filled with sufficient sand to ensure stability.
- Avoid contact with sharp edges, especially when installing or transporting the pedestal ashtray.
- This pedestal ashtray is not suitable for use by children in order to prevent injuries.
- Ensure that the pedestal ashtray is placed on a firm, stable surface to prevent it from tipping over.
