Safety Instructions:

- To avoid injury, do not lift heavy objects without assistance.
- Ensure that the platform trolley is not overloaded (maximum load 150 kg).
- Only use the swivel and fixed castors on a suitable surface to prevent tipping.
- Keep the workplace free of obstacles to prevent falls and accidents.
- Carry out regular inspections of the castors and the anti-slip surface to ensure safety.
- Only secure the folded push bar after use to avoid injury.
