

Product Safety Information

Suction pipe with TW coupling

Manufacturer/Responsible Person: CEMO GmbH, In den Backenländern 5, 71384 Weinstadt, Deutschland

E-Mail: kontakt@cemo-group.com

Please note the technical data of the products!

Article Numbers: 132927, 132926

Safety Instructions:

- Ensure that the suction pipe is properly connected to the TW coupling to prevent leaks.
- When using suction pipes, ensure that no hazardous substances that could jeopardise health and safety are sucked in.
- Do not use the suction pipe near heat or naked flames.
- Only use the product in accordance with the recommended specifications for tanks up to 1500 litres.
- Check the suction pipe regularly for wear or damage and replace it promptly if necessary.
- Take care when using in combination with other products to avoid possible interactions.
- Follow the manufacturer's instructions carefully during installation and use to minimise safety risks.
