Please note the technical data of the products!

Article Numbers: 182568, 182567, 182566

Safety Instructions:

- Not suitable for children under 3 years: Choking hazard due to small parts.
- Paper can be flammable if used improperly (e.g. overheating). Keep it away from naked flames.
- Keep the paper in a cool, dry place to ensure its quality.
- This product is not suitable for contact with food.
- Using the paper in printers that work with inks that are not suitable for photo paper can lead to poor printing results.
- Without the correct light and humidity settings, the print results may fade.
- Do not use the product without the supervision of children.
- The use of this product may harbour liability risks under certain conditions.
