Please note the technical data of the products!

Article Numbers: 185653, 185652, 185651, 185650

Safety Instructions:

- Risk of injury due to improper use or the bookends falling over. Make sure that the bookends are placed on a stable surface to prevent them from tipping over.
- Not suitable for children under 3 years of age to avoid the risk of choking on small parts and due to the thickness and weight of the material.
- Do not use bookends near naked flames or high temperatures.
- The surface is clear lacquered; avoid contact with sharp objects to prevent scratches.
- Keep the bookends away from children as they may have sharp edges. No small parts, but sharp edges; handle with care. If damaged, risk of injury from sharp-edged remnants.
- Not recommended for use with interconnected products if unstable.
- Always follow the instructions for safe use and installation.
- Ensure that the product cannot be confused with children's products due to its shape or packaging.
- Provide storage instructions for household use to avoid accidental injury.
- Include safety information in understandable language.
- The product must be checked regularly for visible damage.
