Article Numbers: 182613, 182612, 182602, 182601

Safety Instructions:

- Not suitable for contact with food.
- Keep away from children as paper sheets could be a choking hazard. Not suitable for children under 3 years of age as there is a choking hazard from small parts.
- Storage in a cool and dry place is recommended to maintain quality and prevent damage from moisture.
- Protect from sunlight to avoid discolouration.
- The product is designed for safe use in an office environment.
- The copy paper should be handled in accordance with the specific storage and transport conditions.
- Do not use the product for purposes other than its intended use.
- Ensure securing with suitable packaging to minimise the risk of injury.
- Packaging and product should not be stored in the immediate vicinity of food to avoid contamination.
- Paper can ignite at high temperatures. Keep the product away from naked flames and heat sources.
- Ingredients and information materials should be clearly and comprehensibly available to consumers.
