Please note the technical data of the products!

Article Numbers: 182616, 182604, 182603

Safety Instructions:

- Not suitable for contact with food.
- Store in a dry place to prevent moisture and mould growth.
- The packaging may contain small parts that pose a choking hazard.
- If used incorrectly, the paper may jam or be damaged in the printer. Use recommended machines to avoid damage.
- Take care when using copy paper with high opacity, as external influences such as light and moisture can impair the print quality.
- Avoid contact with open flames or extreme temperatures to maintain paper quality. Do not have naked flames in the vicinity.
- Legal retention periods must be observed for the secure storage of printed documents.
- Keep out of the reach of children.
- Do not use paper to make paper aeroplanes or similar items.
