Please note the technical data of the products!

Article Numbers: 182618, 182617, 182608, 182607

Safety Instructions:

- Not suitable for children under 3 years of age as it may contain small parts and may present a choking hazard due to small parts.
- Avoid contact with flammable materials during use and storage.
- Only use the paper with suitable printers (inkjet, laser & copy) and check the technical specifications of the printer for compatibility with 160 g/m² paper.
- This product is intended for safe use in accordance with the manufacturer's instructions. When used in printers, the operating instructions for the device should be observed to avoid overheating or malfunctions.
- Store the product in a cool and dry place, store it flat and do not load it with heavy objects in order to preserve its quality and effectiveness.
- Keep the paper away from moisture and direct heat sources to preserve the quality and avoid impairing the print quality through improper handling.
- The product may not be suitable for some printers due to the high paper thickness; check the technical specifications of the device before use and ensure that the paper is used properly to avoid paper jams or cuts.
