Safety Instructions:

- Caution: Product not suitable for children under 3 years of age as it may contain small parts and pose a choking hazard.
- Keep the open-fronted storage bins out of the reach of children to avoid injury.
- Avoid contact with aggressive chemicals to prevent damage to the polypropylene material.
- Do not exceed the maximum load of 20 kg to avoid breakage or injury.
- Ensure that the open-fronted storage box is stacked correctly to prevent it from tipping over.
- Check the open-fronted storage box regularly for cracks and damage to minimise safety risks.
- Keep the box away from extreme cold and heat (below -20°C or above +100°C) to ensure structural integrity.
- Take safety precautions when using with aggressive chemicals.
- When using outdoors, observe UV and weather protection and do not use near open flames.
- The box is not suitable for use with food as it is not food approved.
- Take care when using greasy or oily small parts, as these can be slippery and could lead to an accident.
