Article Numbers: 191818, 191817, 191816, 191815, 191814, 191813, 191812, 191811, 191810

Safety Instructions:

- For stable use, it is necessary to use the feet, which can be ordered separately.
- Avoid sharp edges and corners to prevent injuries.
- Special hinges required for safe installation; flexible hinges can prevent injuries in the event of incorrect installation.
- Use the product in accordance with the instructions provided and ensure secure installation to prevent tipping or falling over.
- When using as a free-standing element, ensure that the partition is stable and cannot tip over.
- Product suitable for indoor use only to minimise environmental damage; keep away from heat sources, direct sunlight and extreme temperatures to avoid damage.
- The feet and connections must be checked regularly; in the event of damage, act immediately and discontinue use.
- Do not overload the partition wall; avoid heavy objects.
- Properly install and secure all fasteners and optional accessories.
- Partition walls require secure stabilisation, in particular with feet; do not use without them to avoid jeopardising stability.
- Check the partition wall regularly for damage and hazards and stop using it if it is damaged.
- Product is not a toy and not suitable for children under 3 years of age; keep children away from stabilising and standing attachments.
- Surfaces are easy to clean; avoid aggressive cleaning agents to prevent material damage.
