### Safety Instructions:

- Make sure that the executive chair is suitable for people weighing up to 110 kg.
- The seat is designed for a recommended use of up to 8 hours per day.
- Avoid excessive heat or moisture on the genuine leather cover.
- Ensure that the chair is correctly assembled in accordance with the enclosed instructions.
- Ensure that the chair is placed on a stable and level surface.
- The use of soft floor castors is recommended for carpeted floors.
- Do not use the synchronised mechanism improperly - adjusting it too quickly or jerkily can lead to injuries.
