

# Product Safety Information

## Eichner hanging bags, for formats up to Din A4, PVC, 10 pieces

Please note the technical data of the products!

**Article Numbers:** 185052, 185051, 185050, 185049, 185048

### Safety Instructions:

- Not suitable for applications requiring heavy chemical exposure.
- The use of the product is limited to the recommended purpose.
- Keep away from children to avoid the risk of choking on small parts.
- Do not use near sources of heat or naked flames.
- The product may react in contact with liquids and should therefore be stored in a dry place.
- Not suitable for children under 3 years due to choking hazard from small parts.
- Improper use can impair the stability of the hanging bags.
- Avoid overloading the hanging bags beyond the recommended maximum load capacity.
- Avoid improper handling to prevent damage.
- Protect from extreme temperatures to avoid deformation of the material.
- The hanging bags are only to be used for their intended purpose.
- Please ensure that the hanging bags are properly installed to prevent them from falling and causing injury.
- Bear in mind that the hanging bags may be damaged if subjected to heavy loads.
- Avoid using the hanging bags in extreme temperatures or humid conditions, as this can weaken the material.
- Safe storage out of the reach of children is recommended.
- Avoid overloading the hanging bags to prevent them from tearing.
- The hanging bags should not be stored in damp environments to prevent mould growth.
