Safety Instructions:

- When picking heavy items, pay attention to the stability of the trolley and do not use it with excessive loads to avoid tipping.
- Regularly check the condition of the castors and wheel locks and check the trolley for damage.
- Keep the area around the trolley free of obstacles to minimise the risk of tripping.
- Do not exceed the trolley's maximum load of 600 kg.
- Anchor the trolley securely to prevent it from tipping or falling over.
- Take care when using on uneven surfaces.
- Place heavy items in the centre of the shelves for safe transport.
- Check the product regularly for looseness of the wheels.
- Only use on smooth surfaces to minimise the risk of falling.
