Please note the technical data of the products!

Article Numbers: 97329, 97328

Safety Instructions:

- Do not exceed the maximum load capacity (150 kg).
- Make sure that the shelf trolley is placed on level ground to prevent it from tipping over.
- Use the push handle to avoid hand injuries.
- Regularly check the castors/wheels for wear and damage.
- Ensure that all items on the shelves are securely stowed to prevent them from falling.
- Avoid the risk of slipping: Do not weigh the trolley over uneven surfaces.
- Secure the trolley when not in use to prevent it from rolling away unintentionally.
- Small parts or accessories of products should be kept out of the reach of children.
- Please drive carefully to avoid collisions that could lead to injuries.
