Article Numbers: 97331, 97330

Safety Instructions:

- Do not exceed the load capacity of 150 kg to avoid overloading.
- To avoid injury, do not tip or overload the product.
- Always lock the scooter when the load surfaces are not being moved to ensure stability.
- Users should be aware that the trolley must be stable when loading.
- Only use the product in accordance with its intended use.
- Use the shelf trolley on level surfaces to prevent it from tipping over.
- Make sure that the trolley is correctly loaded to ensure stability.
- The deck trolley is not suitable for transporting live animals or dangerous goods.
- Ensure that the trolley is regularly checked for wear on the castors and floor.
- Keep the area around the trolley free of obstacles to avoid tripping hazards.
- Children should not be allowed to use the bunk trolley.
- The mesh walls do not offer complete safety, so make sure that no objects can fall out.
