Safety Instructions:

- Ensure that the load does not exceed the maximum load capacity as specified by the manufacturer.
- Before use, check the trolley for visible damage and ensure that all wheels are secure.
- Ensure that two of the castors are fitted with parking brakes to prevent unintentional movement.
- Risk of suffocation due to improper use or careless handling due to moving parts; ensure that fingers are not trapped.
- Stay close by when pushing the trolley to prevent it from slipping or falling over and ensure that there are no people in the vicinity.
- Only use the trolley on level, stable surfaces to avoid the risk of slipping and tipping over.
- Make sure that the trolley is only intended for moving collection boxes and secure them to prevent them from slipping.
- Keep children away from the trolley to avoid the risk of accidents.
