Safety Instructions:

- Only suitable for commercial use, not recommended for private use.
- Before use, ensure that the box is suitable for the intended load in order to avoid overloading.
- Take care when handling heavy or large crates to avoid injury when lifting.
- Not suitable for transporting foodstuffs unless the crate is designed and certified for this purpose.
- The boxes should not be used near open flames or extreme heat sources.
- Clear instructions for use and safety information must be provided on the packaging or in accompanying documents.
