

Product Safety Information

Rectangular tank standard, GRP, 300 l

Manufacturer/Responsible Person: CEMO GmbH, In den Backenländern 5, 71384 Weinstadt, Deutschland

E-Mail: kontakt@cemo-group.com

Please note the technical data of the products!

Article Numbers: 74189, 74145, 150444

Safety Instructions:

- Not suitable for use with flammable, explosive or highly flammable substances.
- Take care during storage: overfilling can lead to overflowing or leaks.
- Keep the container away from direct sunlight, despite its UV resistance, and avoid extreme temperatures.
- Protect the container from mechanical damage.
- It should be used in well-ventilated areas.
- Only for the storage of liquids that are not harmful to health or chemically reactive.
- Do not use above the temperature limit of -30°C to +40°C. Observe maximum operating temperature: -30° to +40°C.
- Wear protective gloves and clothing during handling and use to avoid skin contact with chemical substances.
- When disposing of the product, observe the local regulations on waste disposal in order to avoid environmental damage.
