

Product Safety Information

Rectangular tank standard, GRP, 400 l

Manufacturer/Responsible Person: CEMO GmbH, In den Backenländern 5, 71384 Weinstadt, Deutschland

E-Mail: kontakt@cemo-group.com

Please note the technical data of the products!

Article Numbers: 74146, 150453, 150445

Safety Instructions:

- Do not use for the transport of hazardous or chemical substances.
- Do not use the container at temperatures below -30°C or above +40°C.
- Ensure that the container is cleaned and maintained to avoid contamination.
- Observe correct storage to prevent damage to the container structure.
- Dispose of containers in accordance with local regulations for GRP waste.
- Ensure UV resistance to prevent premature ageing.
- Not suitable for food storage.
- In the case of aggressive chemicals, ensure that the container has been tested.
- Protect the container from sharp objects to prevent damage.
- Wear protective clothing when working with hazardous liquids.
- Do not fill the container beyond the maximum fill level to prevent overflow.
- Regularly check the condition of the container for cracks or damage.
- Place the container in a stable and secure position during storage to prevent it from tipping over.
- Avoid storing incompatible chemicals without prior consultation.
