Safety Instructions:

- Not suitable for food storage.
- Protect from extreme temperatures and aggressive chemicals.
- During storage, ensure that the container is stable and cannot fall over.
- Avoid using the container if it is mechanically damaged.
- Protect from direct sunlight to prevent damage to the UV-resistant surface.
- Only use for the storage of non-hazardous liquids. For acids and alkalis, please ask for specific recommendations.
- Do not use at temperatures outside the range of -30° to +40°C to ensure the integrity of the container.
- When lifting and transporting the container, ensure that it is stable and balanced to prevent it from tipping over.
- Regularly check the smooth, easy-to-clean surfaces for cracks or wear to ensure safety.
- Dispose of the product in accordance with local regulations for plastics recycling.
