

Product Safety Information

Rectangular tank standard, GRP, 700 l

Manufacturer/Responsible Person: CEMO GmbH, In den Backenländern 5, 71384 Weinstadt, Deutschland

E-Mail: kontakt@cemo-group.com

Please note the technical data of the products!

Article Numbers: 74148, 150455, 150448

Safety Instructions:

- Product may have sharp edges. Please handle with care.
- Avoid contact with aggressive chemicals; the container is only resistant to many acids and alkalis (please enquire) and could be damaged.
- Do not use above the recommended temperature limit of +40°C and avoid low temperature damage below -30°C.
- Store securely on a stable surface to prevent tipping. Take safety precautions against possible slipping when containers are stacked.
- Ensure that the container is clean and dry before use.
- Dispose of packaging and product residues in accordance with local regulations. When disposing of the container, ensure that it can be recycled.
- Not suitable for food.
- Protect from direct sunlight; ensure UV resistance to prevent material deterioration.
- Suitable for the storage of non-corrosive liquids; when storing chemicals, ensure compatibility with the container material.
- Ensure correct transport and storage to prevent damage.
