

Product Safety Information

Rectangular tank standard, GRP, 1500 l

Manufacturer/Responsible Person: CEMO GmbH, In den Backenländern 5, 71384 Weinstadt, Deutschland

E-Mail: kontakt@cemo-group.com

Please note the technical data of the products!

Article Numbers: 74151, 150450

Safety Instructions:

- Do not use for the storage of highly flammable liquids.
- Place on a stable surface during storage to prevent tipping over.
- Do not expose to direct sunlight, even if the container is UV-resistant.
- Pay attention to possible chemical reactions with the stored liquids.
- Check the container regularly for leaks and damage.
- Caution: The container may not be safe for the storage of flammable liquids if used incorrectly.
- Caution during transport: Beware of the risk of injury from sharp edges during handling.
- Note temperature range: Do not use above -30° to +40°C.
- Chemical information: Please note that the container should only be used in suitable conditions for certain chemical substances.
- Recycling instructions: Dispose of the container in accordance with the local guidelines for GRP waste.
