Safety Instructions:

- Beware of the risk of injury if the drawers are used incorrectly or overloaded.
- Ensure that the drawers are locked when moving to prevent them from opening while travelling.
- When transporting, pay attention to the maximum load capacity of 240 kg per wheel set.
- Only use the drawers up to the specified load capacity of 35 kg per drawer.
- Ensure that the wheels have an appropriate load capacity and avoid overloading.
- Only use the workshop trolley on level surfaces to prevent it from turning or tipping over.
- Please inform users about the safe use and handling of the workshop trolley.
- Check the stability of the workshop trolley with the large wheels for high stability.
- Keep children away from the product to avoid injury.
