Please note the technical data of the products!

Article Numbers: 98476, 98475, 98472

Safety Instructions:

- Ensure that the half-round ashtray is installed in a safe place and properly secured to prevent it from tipping over or falling.
- Caution: The half-round ashtray may contain hot ashes or embers. Allow the product to cool down sufficiently before emptying it.
- Warning: Keep the half-round ashtray out of the reach of children and pets to ensure safety and prevent it from being used as a toy.
- Caution! The half-round ashtray is made of metal and can become hot when exposed to sunlight and heat. Do not touch it without protection.
- The half-round ashtray contains sharp edges. Be careful to avoid injury.
- Only use suitable disposal methods for ash and cigarette residues to avoid fires and ensure that the ashtray is emptied regularly to avoid overheating.
- Ensure that the half-round ashtray is not placed near flammable materials.
- Only use the triangular spanner supplied to empty the ashtray and not for any other purpose.
- Intended for outdoor use, please observe weather conditions to prevent rusting if the product is made of galvanised steel.
