Safety Instructions:

- Caution: Fire hazard due to improper use; do not use in the vicinity of flammable materials.
- Ensure that the ashtray is emptied regularly to prevent overheating, overfilling and possible fire hazards.
- The half-round ashtray is not suitable for use by children as there is a risk of injury.
- Due to its design, there is a risk of the half-round ashtray tipping over if it is not securely fastened.
- Only use the triangular spanner supplied to safely empty the ashtray; improper use can lead to damage.
- Outdoor use may result in corrosion due to weathering; observe the care instructions for the material.
- Use only outdoors.
- Check the operating conditions in bad weather or after rain.
- The edges and corners of the ashtray may have sharp edges, take care when handling.
- Ensure correct attachment in accordance with the instructions to avoid accidents.
