Please note the technical data of the products!

Article Numbers: 133010, 133009, 133008, 133003

Safety Instructions:

- Do not use the packaging for playing, as there is a risk of suffocation from plastic parts.
- Dispose of safely after use to avoid environmental pollution.
- Do not overheat or store in direct sunlight to avoid material changes.
- Not suitable for consumption.
- Keep out of reach of children to avoid the risk of choking.
- May tear if used improperly.
- Dispose of in accordance with local regulations for plastic waste and ensure that no waste is left behind.
- Not suitable for children under 3 years of age as there is a choking hazard due to small parts.
- Do not load above the specified maximum load capacity (35 litres) to avoid the risk of tearing.
- Do not store the bags diagonally or cross-linked to prevent them from accidentally slipping or falling.
- Ensure that the bin liner is not overfilled or handled awkwardly to minimise the risk of tearing.
- Do not store near naked flames.
- Avoid direct contact with sharp objects to prevent damage.
