Safety Instructions:

- Not suitable for children; please ensure that children do not play with this product to avoid injury.
- Avoid excessive loading and overloading to prevent damage or breakage to the bin and observe the maximum capacity.
- Ensure that the waste bin is stable, preferably on a flat and stable surface to prevent it from tipping over, especially near children.
- Before use, observe the technical documentation and carry out regular inspections for rust or damage to ensure safety.
- Regularly check the wheels and handle for tight fit and damage to ensure safety and functionality.
- Avoid heavy loads when moving and ensure that the wheels are securely fastened during transport.
- Do not lift by the handle if the bin is not designed for this.
- Take care when handling to avoid injury from sharp edges or when adjusting.
- Keep the rubbish bin away from children and pets.
