### Safety Instructions:

- Place products out of the reach of children to prevent accidents caused by falling.
- Ensure that the containers do not have any sharp or dangerous edges during disposal.
- Before use, ensure that the waste bin is placed on a stable and level surface.
- Use of gloves is recommended to avoid skin injuries when handling sharp waste.
- Do not overfill outdoors to prevent waste from overflowing.
- Only suitable for outdoor use.
- Do not use for the storage of flammable substances.
- Risk of tipping over if heavy loads are transported incorrectly.
- Protection against frost and UV rays recommended.
- Disposal according to local regulations for plastic waste.
- Not suitable for contact with food.
- Ensure protection against the weather.
- Make sure that no heavy objects fall onto the waste bin.
- Safely dispose of damaged containers.
