Safety Instructions:

- Remove the inner bucket before cleaning.
- Avoid using the ashtray in strong winds to prevent it from falling over.
- Do not use for flammable materials inside.
- Keep the ashtray away from children to prevent misuse.
- Risk of suffocation due to improper handling of ash or improper use of the ash insert with sand.
- Risk of injury from sharp edges of the galvanised sheet metal or other parts of the container.
- Fire hazard due to improper disposal of flammable materials.
- Ensure stable floor mounting and installation by specialised personnel to prevent tipping and unstable installation.
- Use the openings provided for throwing in waste to prevent injuries.
- Take care when handling hot ash to avoid burns or fire hazards.
- Empty the inner bin regularly to avoid overfilling and the resulting hazards.
- The product should be protected from direct sunlight and moisture to prevent corrosion and damage.
