Please note the technical data of the products!

Article Numbers: 73510, 73509, 73508, 73507, 73490, 73489, 73488, 121998

Safety Instructions:

- Only use the tape on clean and dry surfaces to ensure optimum adhesion and safety.
- Do not use on wet, damp or cracked surfaces in order not to jeopardise the adhesive force and to avoid slipping.
- Protect from contact with chemicals to prevent material damage. Be aware of chemical hazards due to improper handling of the PVC surface.
- During application, ensure that the edges are firmly pressed down and that the tape adheres completely to prevent accidents caused by loose edges.
- Do not drive over the tape until it has fully adhered.
- Beware of the risk of slipping with new installations or improper use of the tape; it can become particularly slippery when wet.
- Not suitable for applications with extreme temperatures or high humidity to ensure adhesion and safety.
- Risk of suffocation due to loose ends or waste; keep product and reel away from children and ensure careful use in children's areas.
- Regularly check the adhesion of the tape to avoid detachment.
- Pay attention to use and risk assessments for children; do not use as a toy.
