Please note the technical data of the products!

Article Numbers: 73517, 73516, 73515, 73514, 73513, 73512, 73511, 121999

Safety Instructions:

- Do not use for contact with hot surfaces.
- When used on floors that are constantly driven on, ensure suitable adhesion.
- Only apply the tape to dry and clean surfaces.
- Avoid direct sunlight to prevent the tape from peeling off.
- Choking hazard due to improper contact with small parts. Not suitable for children under 3 years of age.
- Risk of slipping on smooth surfaces when wet or contaminated.
- Concerns about PVC chemicals at high temperatures.
- Not suitable for use near open flames or extreme temperatures.
- Do not use the product in areas where it could come into contact with water or other liquids.
- Please ensure that the tape is laid on a flat surface to avoid tripping hazards.
- Not for use in locations where high temperatures, UV light or chemical influences are expected.
- Safety note: The tape can tear easily if used incorrectly.
- The product is not suitable for use in safety-critical areas.
- Please observe the instructions for proper use and installation.
- Take care during assembly to avoid injury.
- No liability for slipping hazard after application on the floor.
- Suitable for indoor and outdoor use, but regular inspection is recommended.
- If used improperly, edges could flake off or become detached.
- Keep the product away from high temperatures and direct sunlight.
- Avoid using mechanical devices or heavy objects on the marking to prevent wear and tear.
- Keep out of the reach of children to avoid the risk of choking on small parts.
- Take care when handling sharp edges of the belt.
