

Product Safety Information

Floor marking tape, W 75 mm, L 25 m

Manufacturer/Responsible Person: Stehimpuls GbR, Coburger Straße 1, 96126 Hafenpreppach, Deutschland

E-Mail: info@stehimpuls.de

Please note the technical data of the products!

Article Numbers: 73591, 73590, 73589, 73473, 73472, 73471, 121994, 121990

Safety Instructions:

- Not suitable for children under 3 years of age, as small parts may pose a choking hazard.
- Use in combination with other materials could cause unforeseen hazards.
- Liability for improper application or use is excluded.
- Do not expose to direct sunlight to avoid discolouration or material damage.
- Adhesive surface must be fully adhered before use to prevent slipping.
- Do not use on very rough, wet or porous surfaces as this may affect durability.
- Wear shoes with non-slip soles to avoid injuries caused by slipping.
- Only check for full adhesion after installation.
- Keep the floor clean and dry before installation to ensure optimum adhesion.
- Avoid overloading to prevent damage to the material. Observe the maximum load capacity.
- Not suitable for water-rich environments. Avoid contact with water during the bonding and curing time.
- Do not use the product in frosty conditions or on slippery surfaces.
- Keep bonding surfaces clean and dry. Avoid contact with UV radiation, especially with PVC material.
- Early stresses can impair adhesion.
- Use of the adhesive product can increase the risk of slipping on smooth surfaces. Risk of injury when cutting or removing the tape.
- Keep the product out of the reach of children to avoid accidental ingestion. It may be perceived as a toy.
- Watch out for mechanical loads that could damage the belt.
- Do not damage surfaces when removing the tape.
- Safety information and installation instructions must be included.
